

THE SCUBA DIVER

Close-up on Rosie, relaxed at the back of the boat beside a scuba diver.

Zoom out—just as the diver stands and steps out of frame, **she casually opens an umbrella** (or dons a hat), anticipating the inevitable *big splash* seconds later.

*Images for referential use only, models will be clothed

A BIGGER SPLASH

A single shot. She lies on the deck when a rogue extra cannonballs into the water in the background, splashing water all over her.
