

THE SCUBA DIVER

Rosie sits on the boat, Jack settles in beside her—just as they’re about to speak, a scuba diver in full gear plops down between them.

UMBRELLA

**On the beach**—the sound of sand hitting an umbrella.

**Close-up on Rosie**, serene under her open **Burberry umbrella**.

Cut to wide—she’s lounging, perfectly shielded, while Jack stands nearby, obviously shaking out a towel.
