

THE SCUBA DIVER

**Close-up on Rosie**, relaxed at the back of the boat beside a scuba diver.

Zoom out—just as the diver stands and steps out of frame, **she casually opens an umbrella** (or dons a hat), anticipating the inevitable *big splash* seconds later.

\*Images for referential use only, models will be clothed

THE SCUBA DIVER

Rosie sits on the boat, Jack settles in beside her—just as they’re about to speak, a scuba diver in full gear plops down between them.
